All proposals presented in this Proxy Statement, other than Proposal No. 2, are considered non-routine matters. Proposal No. 2 is considered a routine matter. If your shares are held in street name, it is important that you provide instructions to your broker regarding the voting of your shares.

PRESSURE BIOSCIENCES, INC.
PROXY STATEMENT
FOR THE SPECIAL MEETING IN LIEU OF
THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 19, 2019

General

This Proxy Statement is being furnished to the shareholders of Pressure BioSciences, Inc., a Massachusetts corporation ("PBI", the "Company", "we", or "us") in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or the "Board") of PBI, with its principal executive offices located at 14 Norfolk Avenue, South Easton, MA 02375, for use at the Special Meeting in Lieu of the Annual Meeting of Stockholders to be held on December 19, 2019 at 4:00 p.m. EST and at any adjournments or postponements thereof (the "Meeting") for the purposes set forth herein and in the accompanying Notice of Special Meeting in Lieu of the Annual Meeting of Stockholders.

The enclosed proxy relating to the Meeting is solicited on behalf of the Board and the cost of such solicitation will be borne by the Company. Certain of the Company's officers and regular employees may solicit proxies by correspondence, telephone, or in person, without extra compensation. We will also pay to banks, brokers, nominees, and certain other fiduciaries their reasonable expenses incurred in forwarding proxy material to the beneficial owners of securities held by them. It is expected that this Proxy Statement, the accompanying notice of Meeting, proxy card, and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 will be made available to stockholders on or about November 22, 2019. This Proxy Statement and the Company's annual report on Form 10-K are available to shareholders at <https://ir.pressurebiosciences.com/proxy>.

Voting Securities and Record Date

Stockholders of record of the Company's common stock, \$0.01 par value (the "Common Stock"), at the close of business on October 21, 2019, the record date for the Meeting, will be entitled to receive notice of, and to vote at, the Meeting. As of October 21, 2019, there were issued and outstanding 2,280,397 shares of Common Stock, all of which are entitled to vote representing approximately 212 holders of record. Each share of Common Stock outstanding at the close of business on the record date is entitled to one vote on each matter that is voted. In addition, as of October 21, 2019, there were issued and outstanding 300 shares of the Company's Series D Convertible Preferred Stock, par value \$0.01 per share ("Series D Preferred Stock"), 80,570 shares of the Company's Series G Convertible Preferred Stock, par value \$0.01 per share ("Series G Preferred Stock"), 10,000 shares of the Company's Series H Convertible Preferred Stock, par value \$0.01 per share ("Series H Preferred Stock"), 21 shares of the Company's Series H2 Convertible Preferred Stock, par value \$0.01 per share ("Series H2 Preferred Stock"), 3,458 shares of the Company's Series J Convertible Preferred Stock, par value \$0.01 per share ("Series J Preferred Stock"), 6,816 shares of the Company's Series K Convertible Preferred Stock, par value \$0.01 per share ("Series K Preferred Stock") and 7,899 shares of the Company's Series AA Convertible Preferred Stock, par value \$0.01 per share ("Series AA Preferred Stock"). The shares of Preferred Stock are not entitled to vote on any proposal to be presented at the Meeting.

Quorum

A quorum, consisting of the holders of a majority of the shares of Common Stock issued, outstanding, and entitled to vote at the Meeting, will be required to be present in person or by proxy for the transaction of business at the Meeting. Stockholders of record present at the Meeting in person or by proxy, abstentions, and "broker non-votes" (as defined below) are counted as present or represented at the Meeting for the purpose of determining whether a quorum exists. A "broker non-vote" occurs when a broker, bank, or representative ("broker or representative") does not vote on a particular matter because it either does not have discretionary voting authority on that matter or it does not exercise its discretionary voting authority on that matter.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The rules of the Securities and Exchange Commission (the "SEC") permit us to furnish proxy materials, including this Proxy Statement and the Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the "Notice and Access Card") provides instructions on how to access and review on the Internet all of the proxy materials. The Notice and Access Card also instructs you as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials described in the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. If you would like a paper proxy card, you should follow the instructions in the Notice and Access Card. The paper proxy card you receive will also provide instructions as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. Alternatively, you can mark the paper proxy card on how you would like your shares voted, sign the proxy card and return it in the envelope provided.

What does it mean if I receive more than one Notice and Access Card?

It generally means you hold shares registered in more than one account. To ensure that all your shares are voted, please sign and return each proxy card or, if you vote by Internet or telephone, vote once for each Notice and Access Card you receive.

What if other matters come up at the Meeting?

At the date this Proxy Statement went to press, we did not know of any matters to be properly presented at the Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Revocability of Proxies

All Proxies that are properly completed, signed and returned prior to the Meeting, and that have not been revoked, will be voted in favor of the proposals described in this Proxy Statement unless otherwise directed. A shareholder may revoke his or her Proxy at any time before it is voted either by filing with the Secretary of the Company, at its principal executive offices located at 14 Norfolk Avenue, South Easton, MA 02375, a written notice of revocation or a duly-executed Proxy bearing a later date or by attending the Meeting and voting in person.

Manner of VotingStockholders of Record

Shares entitled to be voted at the Meeting can only be voted if the stockholder of record of such shares is present at the Meeting or returns a signed proxy card. Shares represented by a valid proxy will be voted in accordance with your instructions.

A stockholder of record who votes his or her shares by returning a proxy card, may revoke the proxy at any time before the stockholder's shares are voted at the Meeting by written notice to the Clerk of the Company received prior to the Meeting, by executing and returning a later dated proxy card prior to the Meeting, or by voting by ballot at the Meeting.

Beneficial Stockholders

If you hold your shares through a broker or representative, you can only vote your shares in the manner prescribed by the broker or representative. The Notice and Access Card or the proxy materials, if you elected to receive a hard copy, have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. Detailed instructions from your broker or representative will generally be included with your proxy material. These instructions may also include information on whether your shares can be voted by telephone or over the Internet or the manner in which you may revoke your votes. If you choose to vote your shares by telephone or over the Internet, you should follow the instructions provided by the broker or representative.

Voting of Proxies

The votes of stockholders present in person or represented by proxy at the Meeting will be tabulated by an inspector of elections appointed by the Company. Shares represented by proxy will be voted in accordance with your specific instructions. To vote via Internet, shareholders who hold shares directly at our transfer agent, Computershare, go to www.investorvote.com/PBIO and follow the instructions. For shareholders who received a Notice and Access card (because you hold shares in “street name”), go to proxyvote.com. To vote by mail, fill out the enclosed Proxy, sign and date it, and return it in the enclosed postage-paid envelope. To vote by fax, fill out the enclosed Proxy, sign and date it, and fax it to (508) 230-1829. To vote by phone, shareholders who hold shares directly at our transfer agent, Computershare please call 1-800-652-8683. For shareholders who received a Notice and Access card (because you hold shares in “street name”), please call 1-800-579-1639. Voting by proxy will not limit your right to vote at the Meeting if you attend the Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy executed in your favor, from the holder of record to be able to vote at the Meeting. If you sign and return your proxy card without indicating specific instructions, your shares will be voted FOR each of Proposal Nos. 1, 2, and 3 and for Triennial advisory votes on compensation. If any other matters shall properly come before the Meeting, the authorized proxy will be voted by the proxies in accordance with their best judgment. All valid proxies received prior to the Meeting will be voted. The Board of Directors recommends that you vote by proxy even if you plan to attend the Meeting.

If you hold your shares as a beneficial owner rather than a stockholder of record, your broker or representative will vote the shares that it holds for you in accordance with your instructions (if timely received) or, in the absence of such instructions, your broker or representative may vote on certain matters for which it has discretionary voting authority. Your broker will be permitted to vote your shares on Proposal No. 2 without your instructions. All other proposals are considered “non-routine” matters and your broker or representative does not have discretionary voting authority with respect to these matters. Therefore, the shares that do not receive voting instructions will be treated as “broker non-votes.”

Required Vote

Abstentions and broker non-votes are included in the number of shares present or represented for purposes of a quorum but are not considered as shares voting or votes cast with respect to any matter presented at the Meeting.

The affirmative vote of the holders of a plurality of the votes cast by stockholders at the Meeting is required for Proposal No. 1 to elect the nominees as Class II Directors of the Company. Abstentions and broker non-votes will not have any effect on the Proposal No. 1 to elect directors.

With respect to Proposal No. 2, our Amended and Restated Bylaws, as amended, do not require that our stockholders ratify the appointment of MaloneBailey LLP as our independent registered public accounting firm. However, we are submitting the proposal for ratification as a matter of good corporate governance. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain MaloneBailey LLP. Even if the appointment is ratified, the Audit Committee, at its discretion, may change the appointment at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders. Ratification of the appointment of MaloneBailey LLP as the Company’s independent registered public accounting firm requires the affirmative vote of the holders of a majority of the votes cast at the Meeting for Proposal No. 2. As abstentions are not considered to be “votes cast”, abstentions will not have any effect on Proposal No. 2. As Proposal No. 2 is considered to be a “routine” matter for which a stockholder’s broker is permitted to vote a stockholder’s shares without such stockholder’s instructions, there will not be any broker non-votes with regard to Proposal No. 2.

The affirmative vote of the holders of a plurality of the votes cast by stockholders at the Meeting is required for Proposal No. 3 to approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Proxy Statement accompanying this notice. As abstentions and broker non-votes are not considered to be “votes cast”, abstentions and broker non-votes will not have any effect on Proposal No. 3.

The advisory vote regarding the preferred frequency of stockholder advisory votes on the compensation of our named officers (Proposal No. 4) will be determined by a plurality of votes cast by stockholders entitled to vote in the election. As abstentions and broker non-votes are not considered to be “votes cast”, abstentions and broker non-votes will not have any effect on Proposal No. 4. The frequency option that receives the most votes will be deemed the option chosen by the advisory vote.

Shareholders List

For a period of at least ten days prior to the Annual Meeting, a complete list of shareholders entitled to vote at the Annual Meeting will be available, upon appointment, at the principal executive offices of the Company located at 14 Norfolk Avenue, South Easton, MA 02375, so that shareholders of record may inspect the list only for proper purposes.

Expenses of Solicitation

The Company will pay the cost of preparing, assembling and mailing this proxy-soliciting material, and all costs of solicitation, including certain expenses of brokers and nominees who mail proxy material to their customers or principals.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

At the Meeting, two Class II Directors are to be elected to serve until the 2021 Annual Meeting of Stockholders and until his successor has been duly elected and qualified. The Board of Directors, upon the recommendation of the Nominating Committee, has nominated Mr. Vito Mangiardi and Mr. Kevin Pollack as Class II Directors. Messrs. Mangiardi and Pollack are currently directors of the Company and have not been nominated pursuant to any arrangement or understanding with any person.

The Company's Restated Articles of Organization, as amended (the "Articles of Organization"), and Amended and Restated Bylaws, as amended (the "Bylaws"), provide that our Board of Directors shall be divided into three classes. At each annual meeting of stockholders, the directors elected to succeed those whose terms expire are identified as being in the same class as the directors they succeed and are elected to hold office for a term to expire at the third annual meeting of stockholders after their election, and until their respective successors are duly elected and qualified, unless an adjustment in the term to which an individual director shall be elected is made because of a change in the number of directors.

Our Articles of Organization and Bylaws do not require our stockholders to elect any directors in a class for which the term of office extends beyond the Meeting. The term of office of Mr. Mangiardi and Mr. Pollack, the Company's Class II Directors, expires at the Meeting. The terms of office of the Class I Directors and Class III Directors, comprised of Mr. Peterson, Dr. Urdea and Mr. Schumacher, continue after the Meeting.

At the Meeting, it is the intention of the persons named as proxies to vote for the election of Mr. Mangiardi and Mr. Pollack as the Class II Directors. In the unanticipated event that Mr. Mangiardi and Mr. Pollack should be unable to serve, the persons named as proxies will vote the proxy for such substitute(s), if any, as the present Board of Directors may designate or the present Board of Directors may reduce the number of directors.

In selecting members for our Board of Directors, we consider each individual's unique and diversified background and expertise. We believe that selecting directors with a wide range of talents and skills provides a functional diversity that allows our Board to provide strong leadership. The following noteworthy experience, qualifications, attributes and skills for each Board member, together with the biographical information for each nominee described below, led to our conclusion that the person should serve as a director of PBI in light of our business and structure:

- Mr. Jeffrey N. Peterson, age 64, the Chairman of our Board is the CEO of Target Discovery, Inc., a personalized medicine diagnostics and analytical testing solutions company; Chairman and CEO of Veritomyx, Inc., a high-performance SaaS (cloud computing) scientific signal-processing company; and was Chairman of Imaging3 (OTCQB: IGNG), a medical and industrial imaging company, from March 2018 through July 2019. He has broad executive, general management, multi-functional, multi-business, and international experience, including 20 years at Abbott Laboratories and General Electric, and leadership in multiple trade organizations.
- Mr. Vito J. Mangiardi, age 70, has broad executive, general management, multi-functional, multi-business, and international experience, specifically in the life sciences field. Mr. Mangiardi is the founding partner, President and CEO of Marin Bay Partners, LLC (MBP), a consulting firm focused in life sciences, pharmaceutical development and clinical diagnostics.
- Dr. Michael S. "Mickey" Urdea, age 67, founded and is a Partner for Halteres Associates, a biotechnology consulting firm. He serves as an expert consultant to the life sciences industry and philanthropic organizations and is on the scientific advisory boards and boards of directors of a number of biotechnology and diagnostics companies.
- Mr. Kevin A. Pollack, age 49, provides a wealth of knowledge and experience in financial and administrative matters. Mr. Pollack served as Chief Financial Officer and Director of Opiant Pharmaceuticals, Inc. (OPNT-NASDAQ) from 2012 to 2017 and as an advisor from 2017 to 2018. He is currently serving as President of Short Hills Capital LLC, a broker-dealer. Mr. Pollack previously worked as a securities attorney focusing on corporate finance and mergers and acquisitions. He also serves as our audit committee financial expert.
- Mr. Richard T. Schumacher, age 69, the Company's founder, provides valuable operational, sales and marketing, financial, and managerial expertise and experience and has significant knowledge of the Company's technology and products. In the years since the Company's formation, Mr. Schumacher has served the Company in various roles, including Chief Executive Officer, President, Treasurer, Secretary, and Chairman. Prior to founding the Company, Mr. Schumacher spent over 13 years working in scientific research and clinical laboratory management at the Center for Blood Research, a Harvard Medical School affiliated laboratory. The Board of Directors has determined that none of these directors has a material relationship with the Company that would interfere with the exercise of independent judgment. Board Leadership Structure and Role in Risk Oversight

The Board of Directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The Board's primary responsibility is to oversee the management of the Company and, in so doing, serve the best interests of the Company and its stockholders. The Board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies and evaluates significant policies and proposed major commitments of corporate resources. The Board participates in decisions that have a potential major economic impact on the Company and its stockholders. Management keeps the directors informed of Company activity through regular written reports and presentations at Board and committee meetings.

The Board of Directors is led by its Chairman, Mr. Peterson. Each of our Audit, Nominating and Compensation Committees provide oversight and assess risk in their respective areas. In addition, the Board and each committee have an active role in overseeing management of our Company's risk. The Board regularly reviews information regarding our operations, credit, and liquidity, as well as the risks associated with each.

Board Committees

Standing committees of the Board of Directors include an Audit Committee, a Compensation Committee, and a Nominating Committee.

Audit Committee.

Messrs. Mangiardi, Peterson and Pollack are currently the members of the Audit Committee, with Mr. Pollack serving as Chairman.

The Board of Directors has determined that Mr. Pollack qualifies as an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K.

The Audit Committee operates pursuant to a written charter (the "Audit Committee Charter"), a current copy of which is publicly available on the investor relations portion of the Company's website at www.pressurebiosciences.com. Under the provisions of the Audit Committee Charter, the primary functions of the Audit Committee are to assist the Board of Directors with the oversight of (i) the Company's financial reporting process, accounting functions, and internal controls, and (ii) the qualifications, independence, appointment, retention, compensation, and performance of the Company's independent registered public accounting firm. The Audit Committee is also responsible for the establishment of "whistle-blowing" procedures, and the oversight of other compliance matters. The Audit Committee held four (4) meetings during fiscal 2018.

Compensation Committee.

General

Messrs. Mangiardi, Peterson and Pollack are currently the members of the Compensation Committee, with Mr. Mangiardi serving as Chairman. The Compensation Committee operates pursuant to a written charter, a current copy of which is publicly available on the investor relations portion of the Company's website at www.pressurebiosciences.com. The primary functions of the Compensation Committee include (i) reviewing and approving our executive compensation, (ii) reviewing the recommendations of the President and Chief Executive Officer regarding the compensation of our executive officers, (iii) evaluating the performance of the President and Chief Executive Officer, (iv) overseeing the administration and approval of grants of stock options and other equity awards under our equity incentive plans, and (v) recommending compensation for our Board of Directors and each committee thereof for review and approval by the Board of Directors. The Compensation Committee held one (1) meeting during fiscal 2018.

The Compensation Committee may form and delegate authority to one or more subcommittees as it deems appropriate from time to time under the circumstances (including (a) a subcommittee consisting of a single member and (b) a subcommittee consisting of at least two members, each of whom qualifies as a "non-employee director," as such term is defined from time to time in Rule 16b-3 promulgated under the Exchange Act, and an "outside director," as such term is defined from time to time in Section 162(m) of the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder).

Compensation Objectives

In light of the relatively early stage of commercialization of our products, we recognize the importance of attracting and retaining key employees with sufficient experience, skills, and qualifications in areas vital to our success, such as operations, finance, sales and marketing, research and development, engineering, and individuals who are committed to our short- and long-term goals. The Compensation Committee has designed our executive compensation programs with the intent of attracting, motivating, and retaining experienced executives and, subject to our limited financial resources, rewarding them for their contributions by offering them a competitive base salary, potential for annual cash incentive bonuses, and long-term equity-based incentives, typically in the form of stock options. The Compensation Committee strives to balance the need to retain key employees with financial prudence given our history of operating losses, limited financial resources and the early stage of our commercialization.

Executive Officers and Director Compensation Process

The Compensation Committee considers and determines executive compensation according to an annual objective setting and measurement cycle. Specifically, corporate goals for the year are initially developed by our executive officers and are then presented to the Board of Directors and Compensation Committee for review and approval. Individual goals are intended to focus on contributions that facilitate the achievement of the corporate goals. Individual goals are first proposed by each executive officer, other than the President and Chief Executive Officer, then discussed by the entire senior executive management team and ultimately compiled and prepared for submission to the Board of Directors and the Compensation Committee, by the President and Chief Executive Officer. The Compensation Committee sets and approves the goals for the President and Chief Executive Officer. Generally, corporate and individual goals are set during the first quarter of each calendar year. The objective setting process is coordinated with our annual financial planning and budgeting process so our Board of Directors and Compensation Committee can consider overall corporate and individual objectives in the context of budget constraints and cost control considerations. Annual salary increases, bonuses, and equity awards, such as stock option grants, if any, are tied to the achievement of these corporate and individual performance goals as well as our financial position and prospects.

Under the annual performance review program, the Compensation Committee evaluates individual performance against the goals for the recently completed year. The Compensation Committee's evaluation generally occurs in the first quarter of the following year. The evaluation of each executive (other than the President and Chief Executive Officer) begins with a written self-assessment submitted by the executive to the President and Chief Executive Officer. The President and Chief Executive Officer then prepares a written evaluation based on the executive's self-assessment, the President and Chief Executive Officer's evaluation, and input from others within the Company. This process leads to a recommendation by the President and Chief Executive Officer for a salary increase, bonus, and equity award, if any, which is then considered by the Compensation Committee. In the case of the President and Chief Executive Officer, the Compensation Committee conducts his/her performance evaluation and determines his/her compensation, including salary increase, bonus, and equity awards, if any. We generally expect, but are not required, to implement salary increases, bonuses, and equity awards, for all executive officers, if and to the extent granted, by April 1 of each year.

Non-employee director compensation is set by our Board of Directors upon the recommendation of the Compensation Committee. In developing its recommendations, the Compensation Committee is guided by the following goals: compensation should be fair relative to the required services for directors of comparable companies in our industry and at our company's stage of development; compensation should align directors' interests with the long-term interest of stockholders; the structure of the compensation should be simple, transparent, and easy for stockholders to understand; and compensation should be consistent with the financial resources, prospects, and competitive outlook for the Company.

In evaluating executive officer and director compensation, the Compensation Committee considers the practices of companies of similar size, geographic location, and market focus. In order to develop reasonable benchmark data, the Compensation Committee has referred to publicly available sources such as Salary.com and the BioWorld Survey. While the Compensation Committee does not believe benchmarking is appropriate as a stand-alone tool for setting compensation due to the unique aspects of our business objectives and current stage of development, the Compensation Committee generally believes that gathering this compensation information is an important part of its compensation-related decision making process.

The Compensation Committee has the authority to hire and fire advisors and compensation consultants as needed and approve their fees. During fiscal 2018, the Compensation Committee hired Compensia to help evaluate our compensation philosophy. Compensia reports directly to the Compensation Committee and does not provide any services to the Company other than the services provided to the Compensation Committee.

The Compensation Committee is also authorized to delegate any of its responsibilities to subcommittees or individuals, as it deems appropriate. The Compensation Committee did not delegate any of its responsibilities in fiscal 2018.

Nominating Committee.

Messrs. Mangiardi, Peterson and Pollack are currently the members of the Company's Nominating Committee with Mr. Peterson serving as Chairman. The Nominating Committee operates pursuant to a written charter, a current copy of which is publicly available on the investor relations portion of the Company's website at www.pressurebiosciences.com. The Nominating Committee held one (1) meeting during fiscal year 2018.

The primary functions of the Nominating Committee are to (i) identify, review, and evaluate candidates to serve as directors of the Company, (ii) make recommendations of candidates to the Board of Directors for all directorships to be filled by the stockholders or the Board of Directors, and (iii) serve as a focal point for communication between such candidates, the Board of Directors, and management.

The Nominating Committee may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms, or other appropriate sources. For all potential candidates, the Nominating Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board of Directors, and concern for the long-term interests of the stockholders. These criteria include whether the candidate assists in achieving a mix of Board members that represents diversity of background and professional experience, including with respect to ethnic background, age and gender. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources. If a stockholder wishes to recommend a candidate for director for election at the 2019 Annual Meeting of Stockholders, he or she must follow the procedures described below under "Stockholder Proposals."

The Audit Committee has also received and reviewed the required written disclosures and a confirming letter from MaloneBailey under applicable requirements of the Public Accounting Oversight Board regarding MaloneBailey's independence and has discussed the matter with MaloneBailey.

The Dodd-Frank Wall Street Reform and Consumer Protection Act amended Section 14A of the Securities Exchange Act of 1934 and related SEC regulations require that, at least once every three years, we provide our shareholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with the Compensation disclosure rules of the SEC. We first held this vote, which is often referred to as the Say-on-Pay vote, at a special meeting of shareholders held on December 12, 2013. At such meeting, our shareholders voted to hold the frequency of our Say-on-Pay vote every three years. The Company will hold future non-binding advisory votes on the compensation of our named executive officers every three years, at least until the next required vote of frequency of shareholder votes on the compensation of our named executive officers. Such Say-on-Frequency vote must occur no later than the annual or other meeting of shareholders held in the sixth calendar year after the immediately preceding Say-on-Frequency vote (annual meeting held on December 12, 2013). An issuer could hold a Say-on-Frequency vote more frequently than every six years if it elects to do so. Proposal No. 4 in this Proxy Statement is the required Say-on-Frequency vote.

As described in more detail in Proposal No. 1, under Executive Compensation, we seek to closely align the interests of our Named Executive Officers with the interests of our shareholders. Our compensation programs are designed to reward our Named Executive Officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total shareholder return. This vote is advisory, which means that the vote on executive compensation is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. However, we welcome input from our shareholders regarding executive compensation and other matters related to the company's success generally. We believe in a corporate governance structure that is responsive to shareholder concerns and we view this vote as a meaningful opportunity to gauge shareholder approval of our executive compensation policies.

Vote Required

The affirmative vote of the holders of a plurality of the votes cast by stockholders at the Meeting is required to approve, on an advisory basis, the executive of the Company's Named Executive Officers.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE **"FOR"** PROPOSAL NO. 3, TO APPROVE AND VOTE **"FOR"** THE FOLLOWING NON-BINDING RESOLUTION AT OUR MEETING:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2019 Special Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure."

PROPOSAL NO. 4

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF SHAREHOLDER APPROVAL OF EXECUTIVE COMPENSATION

Pursuant to the Dodd-Frank Act and SEC rules, at least once every six years we are required to submit for shareholder vote a non-binding resolution to determine whether we should conduct our shareholder advisory vote on executive compensation every year, every two years, or every three years. We last held this vote at the Special Meeting in Lieu of the Annual Meeting of Stockholders conducted on December 12, 2013 and are required to conduct this vote again this year.

After careful consideration of the various arguments supporting each frequency level, the board of directors believes that submitting the advisory vote on executive compensation to shareholders on a triennial basis (every three years) is appropriate for the Company and its shareholders at this time. The proxy card provides four choices (every one, two, or three years, or abstain). Shareholders are being asked for their vote on the frequency of the advisory vote on executive compensation and are not voting to approve or disapprove the board's recommendation. As such, Shareholders may choose an annual, biennial, or triennial frequency, i.e., every year, every two years, every three years, or they may abstain. The frequency option that receives the most votes will be deemed the option chosen by the advisory vote. As with your vote on Proposal No. 3 above, your vote on this Proposal No. 4 is advisory, and therefore not binding on the Company or our board of directors. The vote will not be construed to create or imply any change to the fiduciary duties of the Company or our board of directors, or to create or imply any additional fiduciary duties for the Company or our board of directors. Although the vote is non-binding, our board of directors will consider the outcome of the frequency vote and other communications from shareholders when making future decisions regarding the frequency of such advisory votes regarding executive compensation.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A FREQUENCY OF TRIENNIAL, (**"EVERY THREE YEARS"**) FOR FUTURE ADVISORY SHAREHOLDER VOTES ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

NOTE

OTHER MATTERS OR ANY ADJOURNMENT

The Meeting may be adjourned to another time or place, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the Meeting to approve any of Proposal Nos. 1 through 4. The Meeting may be adjourned from time to time to a date that is not more than 120 days after the original record date for the Meeting.

If, at the Meeting, the number of shares of Common Stock present or represented and voting in favor of the approval of any of Proposal Nos. 1 through 4 is not sufficient to approve that proposal, we currently intend to move to adjourn the Meeting in order to enable our Board of Directors to solicit additional proxies for the approval of any of Proposal Nos. 1 through 4.

OTHER MATTERS

Transactions with Related Persons

The following is a summary of transactions since January 1, 2017 to which we have been or will be a party in which the amount involved exceeded or will exceed \$19,700 (one percent of the average of our total assets at year-end for our last two completed fiscal years) and in which any of our directors, executive officers or beneficial holders of more than 5% of any class of our capital stock, or any immediate family member of, or person sharing a household with, any of these individuals, had or will have a direct or indirect material interest, other than compensation arrangements that are described under the section captioned "Executive compensation."

In March 2010, we signed a strategic product licensing, manufacturing, co-marketing, and collaborative research and development agreement with Target Discovery Inc. ("TDF"), a related party. Under the terms of the agreement, we have been licensed by TDI to manufacture and sell a highly innovative line of chemicals used in the preparation of tissues for scientific analysis ("TDI reagents"). The TDI reagents were designed for use in combination with our pressure cycling technology. The respective companies believe that the combination of PCT and the TDI reagents can fill an existing need in life science research for an automated method for rapid extraction and recovery of intact, functional proteins associated with cell membranes in tissue samples. We did not incur any royalty obligation under this agreement in 2017 or 2016. We executed an amendment to this agreement on October 1, 2016 wherein we agreed to pay a monthly fee of \$1,400 for the use of a lab bench, shared space and other utilities, and \$2,000 per day for technical support services as needed. Mr. Jeffrey N. Peterson, the chief executive officer of TDI, has served as a director of the Company since July 2011 and as Chairman of the Board starting in 2012.

On June 11, 2018, the Company entered into additional Letter Agreements with 15 Debenture Holders (including all five members of the Board) whereby the Debenture Holders agreed to convert a total of \$742,134 in principal and original issue discount due them under the Debentures into 296.80 shares of Series AA Convertible Preferred Stock with a conversion price of \$2.50 per share. The Debenture Holders were also: (a) issued amended Debenture Warrants such that the exercise price will be \$3.50 per share; and (b) issued a new warrant with an exercise price of \$3.50 per share to purchase 296,800 shares of common stock (the number of shares of common stock issuable upon conversion of the Series AA Convertible Preferred Stock shares received as a result of the Debenture conversions). The Debenture Holders also agreed to waive any and all defaults or events of default by the Company with respect to any failure by the Company to comply with any covenants contained in the Debentures. The fair value of \$3,155 relating to the adjustment in exercise price was treated as a loan modification and recorded as a gain toward the extinguishment of debt.

Related Party Notes

On March 14, 2018, we received a one-year, non-convertible loan of \$50,000 from a related party (a member of the Company's Board of Directors). This loan is included in net proceeds from non-convertible debt in the Statement of Cash Flows. The amount of \$50,000 was converted on June 11, 2018 into 20 shares of Series AA Convertible Preferred Stock and a Warrant to purchase 20,000 shares of common stock. The \$7,500 guaranteed interest on the loan was recorded as a debt discount and amortized over the term of the debt. The interest is outstanding as of December 31, 2018.

On May 31, 2018, we received two short-term loans of \$46,500 and \$5,600 from two members of the Company's Board of Directors, respectively. We repaid both loans in full during June 2018 and paid interest of \$6,975.

On June 11, 2018, the Company entered into a Letter Agreement with one non-employee member of the Board, to convert \$50,000 in principal due to the board member pursuant to a certain loan document into 20 Series AA Units representing 20 shares of Series AA Convertible Preferred Stock with a conversion price of \$2.50 per share and warrants to purchase 20,000 shares of common stock.

In June 2018, we received a non-convertible loan of \$15,000 from a private investor. The loan includes a one-year term and 10% guaranteed interest.

On August 6, 2018 and on September 28, 2018, we received two short-term loans of \$6,500 and \$7,500 from an employee and an officer of the Company, respectively. We repaid both loans in full in August and October 2018, respectively. There was no interest charged on these loans.

On October 26, 2018 we received a short-term loan of \$30,000 from an officer of the Company. We repaid the loan in full on October 29, 2018. There was no interest charged on this loan.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC.

Based solely on the Company's review of the copies of such Forms and written representations from certain reporting persons, the Company believes that all filings required to be made by the Company's Section 16(a) reporting persons during the Company's fiscal year ended December 31, 2018 were made on a timely basis.

Other Proposed Action

The Board of Directors knows of no matters which may come before the Meeting other than the matters described in this Proxy Statement. However, if any other matters should properly be presented to the Meeting, the persons named as proxies shall have discretionary authority to vote the shares represented by the accompanying proxy in accordance with their own judgment.

Stockholder Proposals

Proposals which stockholders intend to present at the Company's 2020 Annual Meeting of Stockholders ("2020 Annual Meeting") and wish to have included in the Company's proxy materials pursuant to Rule 14a-8 promulgated under the Exchange Act, must be received by the Company no later than July 27, 2020. If the date of next year's annual meeting is moved by more than 30 days before or after the anniversary date of this year's annual meeting, then the deadline for inclusion of a stockholder proposal in the Company's proxy materials is instead a reasonable time before the Company begins to print and send its proxy materials for that meeting.

Stockholders who wish to make a proposal at the Company's 2020 Annual Meeting, other than one that will be included in the Company's proxy materials, should notify the Company no later than December 3, 2020 (assuming the meeting is held on December 19, 2020), unless the date of next year's annual meeting is moved by more than 30 days before or after the anniversary date of this year's annual meeting, in which case the notice must be received a reasonable time before the Company sends its proxy materials for that meeting. If a proponent who wishes to present such a proposal at the 2020 Annual Meeting fails to notify the Company by the proper date, the proxies solicited by the Board of Directors, with respect to such 2020 Annual Meeting, may grant discretionary authority to the proxies named therein, to vote with respect to such matter if such matter is properly brought before the 2020 Annual Meeting. If a stockholder makes a timely notification, the proxies may still exercise discretionary authority under circumstances consistent with the proxy rules of the SEC.

Stockholders may make recommendations to the Nominating Committee of candidates for its consideration as nominees for director at the 2020 Annual Meeting by submitting the name, qualifications, experience, and background of such person, together with a statement signed by the nominee in which he or she consents to act as such, to the Nominating Committee, c/o Clerk, Pressure BioSciences, Inc., 14 Norfolk Avenue, South Easton, MA 02375. Generally, under the Company's Bylaws, notice of such recommendations must be submitted in writing not later than 90 days prior to the anniversary date of the immediately preceding annual meeting or special meeting in lieu thereof and must contain specified information and conform to certain requirements set forth in the Company's Bylaws. The Company will accept recommendations from stockholders for nominees for director to be considered in connection with the 2020 Annual Meeting no later than September 13, 2020 (assuming the meeting is held on December 19, 2020). In addition, any persons recommended should at a minimum meet the criteria and qualifications referred to in the Nominating Committee's charter, a copy of which may be obtained from the Company by written request sent to its principal executive offices. The Nominating Committee may refuse to acknowledge the nomination of any person not made in compliance with the procedures set forth herein or in the Company's Bylaws.

Shareholder Communications

The Board of Directors of the Company has not adopted a formal procedure that shareholders must follow to send communications to it. The Board of Directors does receive communications from shareholders, from time to time, and addresses those communications as appropriate. Shareholders can send communication to the Board of Directors in writing, to Pressure BioSciences, Inc., 14 Norfolk Avenue, South Easton, MA 02375, Attention: Board of Directors.

Incorporation by Reference

To the extent that this Proxy Statement has been or will be specifically incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or the Exchange Act, the section of the Proxy Statement entitled "Audit Committee Report" shall not be deemed to be so incorporated, unless specifically otherwise provided in any such filing.

Additional Copies of our Annual Report on Form 10-K and Householding

Additional copies of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 and as filed with the SEC, are available to stockholders without charge upon written request addressed to Clerk, Pressure BioSciences, Inc., 14 Norfolk Avenue, South Easton, MA 02375. In certain cases, only one Annual Report and Proxy Statement may be delivered to multiple shareholders sharing an address unless the Company has received contrary instructions from one or more of the shareholders at that address. The Company will undertake to deliver promptly upon written or oral request a separate copy of the Annual Report or Proxy Statement, as applicable, to a shareholder at a shared address to which a single copy of such documents was delivered. Such request should also be directed to Clerk, Pressure BioSciences, Inc., 14 Norfolk Avenue, South Easton, MA 02375., at the address or telephone number indicated in the previous paragraph. In addition, shareholders sharing an address can request delivery of a single copy of Annual Reports or Proxy Statements if they are receiving multiple copies of Annual Reports or Proxy Statements by directing such request to the same mailing address.
